

Requirements for Successful Completion of MURI Projects

The MURI teams may choose one or more of the following options for reporting completion of their projects by submitting:

1. Copy of a written final report to be written by the team and evaluated by the project mentor (see [Guidelines](#) for final report format)
2. Copy of an oral presentation given at a relevant local or national event
3. Copy of a poster presentation given at a relevant local or national event
4. Copy of a publication in a journal, book, or other appropriate media

Additionally, the MURI mentor must submit a final [Status Report](#) with available documents from the above list attached to the report as evidence of successful completion.
